GOAL:

1. To ensure that all students are able to participate in physical education and sports activities.

We believe,

ACHIEVEMENTS 2023

Facilities & Curriculum

Continued investment in our sports facilities, including the new outdoor sports field and the upgrade of our indoor sports hall. We have also introduced a new range of sports equipment to our curriculum, ensuring that all students have access to a wide variety of activities.

Our curriculum is designed to be inclusive and accessible to all students, regardless of their physical abilities. We have introduced a range of adapted sports and activities, ensuring that every student can participate and enjoy the benefits of physical education.

Teacher Quality & Safety

All our PE teachers are qualified and experienced, and we have invested in ongoing professional development to ensure they are up-to-date on the latest best practices in inclusive physical education. We also have a robust safety protocol in place, ensuring that all students are safe and secure during their physical education activities.

Measures

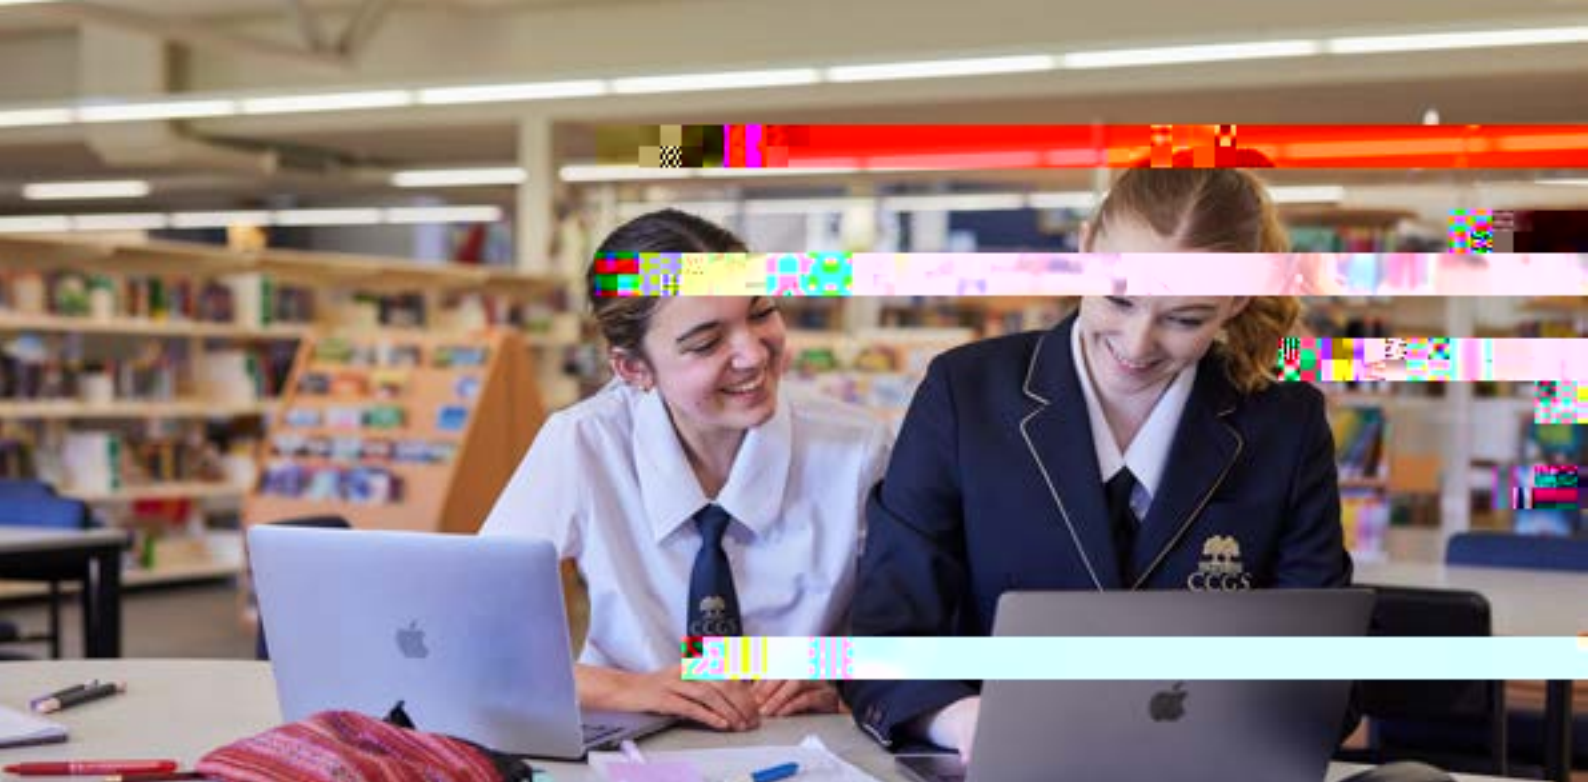

We have implemented a range of measures to ensure that all students are able to participate in physical education and sports activities. These include providing adapted equipment, offering individualized support, and ensuring that all activities are accessible and inclusive.

Student Success

Our inclusive physical education program has led to a significant increase in student participation and enjoyment. We have seen a rise in the number of students who are active and engaged in their physical education activities, and we have received positive feedback from both students and parents.

Our students have achieved a range of success in their physical education activities, including participating in school and district-wide sports events. We are proud of the progress that our students have made, and we continue to work hard to ensure that every student has the opportunity to succeed.

We are committed to providing a high-quality, inclusive physical education program for all our students. We will continue to invest in our facilities, curriculum, and staff, ensuring that every student has the opportunity to participate and succeed.
